THIS CHRISTMAS**

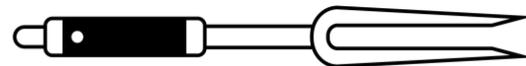

MAKE 2023 ONE TO REMEMBER

Make your celebrations memorable this year with a twist on the usual turkey-fuelled set menu. Enjoy festive themed BBQ and craft beer in a beautiful waterside setting.

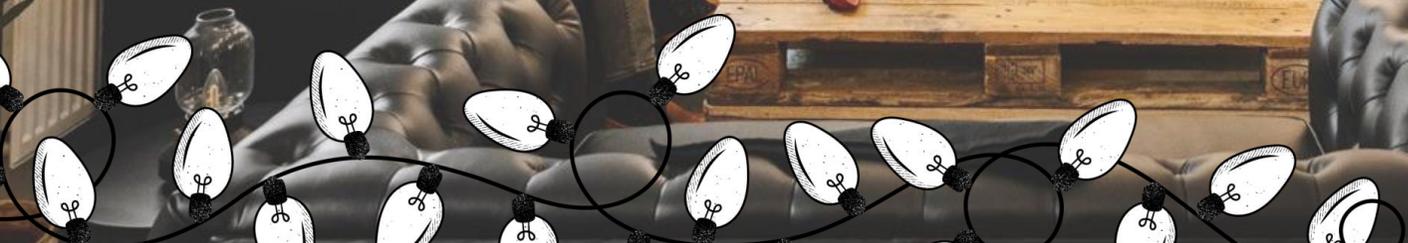

We believe our menu and approach will allow your guests to enjoy a variety of festive inspired BBQ meats, using our trademark smoking and grilling styles which champion the best produce alongside some beautifully presented salads and accompaniments.

Create a menu to wow your guests this Christmas and enjoy the stunning setting of Plymouth's historic Royal William Yard to really get in the Christmas spirit!

Already have a venue? We can recreate all of these offerings in your space.
